**HEALTH

ADVANCED**

Now that you have completed the 5 day Initial OHS Reps Course and have attended at least one Refresher Course you are ready to take the next step.

This one day course will further enhance your knowledge and skill as we investigate the hazards of workplace bullying, work-related stress and challenging student behaviours. This course is not a refresher, it is a day where we apply the powers of an HSR in a manner which allows you to take away practical tools to respond to these hazards.

Places are limited to 16 participants, so register early to avoid disappointment
