

# IEU VICTORIA TASMANIA REGIONAL REP TRAINING - WARRNAMBOOL

**REP TRAINING IS COMING TO A  
REGIONAL CENTRE NEAR YOU!**

Work with IEU Organisers and other Reps to develop your skills and learn about your rights, your role and the structure of the union. Together we will formulate strategies for building the strength and size of your sub-branch and for being an empowered workplace advocate.

Reps from Catholic schools are entitled to a day of paid leave for union training each year, and Reps from independent schools should speak to their Organiser about the IEU covering replacement costs.

Participation in the day is fundamental to your role as a Sub-branch Rep and attendance is strongly encouraged.
