

Get that Job!

A hands-on conference for final year student teachers on getting your first job. CV writing, interviews, and what principals look for in a graduate.

MEET THE PRINCIPALS A panel of Catholic and independent school principals offer advice to new teachers and discuss what they look for in a new recruit. This is followed by small group interactions with individual principals and an opportunity to ask questions.

BRIEFINGS. *VIT Briefing: important advice on teacher registration*

- *Legal Advice for Graduates: the things that every teacher should know*
- *AEU: working in Victorian government schools*

WORKSHOPS The CV writing workshop provides tips for composing an eye-catching CV that emphasises your point of difference and explores other ways to advertise your suitability to the role and employer. The interview skills workshop provides invaluable advice and practice for securing a role at interview, e.g. how to prepare, what to wear and what questions to expect.

WORKSHOP PRESENTER Steve Whittington has many years' teaching experience at all levels across Australia and around the world. He was the Director of schooljobs.com.au and Oxford Education, working closely with schools and educational staff across Victoria. Steve has a deep understanding of recruitment both from an employer's and a job seeker's perspective.
