**TOP TEN TIPS TO SAVE TIME ON
ASSESSMENT W/ DAVID INNES**

Formative and continuous assessment are essential practices for contemporary teachers - they make you a more effective teacher and lead to better student outcomes. It is important to have a wide range of assessment strategies that you can use. It is also important that you manage the time involved in preparing and completing the assessment processes.

In this session one of the best teachers in the business will share his ideas for saving time and show how he protects his weekends and his after hours time for his own fun and enjoyment.
