**TOP 10 TIPS FOR GREAT LESSON
STRUCTURES AND SEQUENCES
W/ LORI PEREIRA**

As a graduate teacher it can be complex to translate theories of learning into classroom practice.

What do you do in each lesson and each sequence of lessons to make them meaningful and engaging for every student and support their progress toward the learning outcomes? While there are vast differences in classroom settings there are some common elements that you can master.

In this session the presenter will share her top 10 tips and strategies for creating effective lesson structure and sequences.
