EARLY CAREER TEACHER
PROFESSIONAL DEVELOPMENT
WEBINAR SERIES 2019**

**TOP 10 ROUTINES AND RITUALS
TO INTRODUCE EARLY IN THE YEAR
W/ JANE LANGLEY**

As a graduate teacher you will have to deal with many new routines. Decisions will range from what to teach and how you organise your classroom, yard duty rosters through to which coffee cup to use at morning tea.

Students have the same experience every time they encounter a new teacher. As a graduate teacher it is important to take small steps and focus on establishing yourself as a calm and confident teacher.

This session will focus on 10 routines and rituals to help you, and the students you teach, create a productive learning environment.
