

SPECIAL MEMBER BENEFITS

LEGAL ADVICE AND SUPPORT

When you start a new job in a non-government school, we can check your contract and advise you of any potential problems before you sign. Expert IEU Officers are also available to assist you with issues that may arise through your work in schools. There may be other times in your career when you need legal advice and support. The IEU has relationships with solicitors in Victoria and Tasmania who can assist you if the need arises.

KEEPING YOU UP-TO-DATE

Our highly informative publications, *The Point* and *Independent Education*, are exclusively available to IEU members. They cover issues affecting the education sector in-depth, and are an excellent reference for everyone in the sector.

You can follow the IEU on facebook for regular updates and industry news.

TRAINING

The IEU offers training opportunities for people across the range of employment in non-government schools. Specialist conferences provide low-cost, high-relevance learning opportunities every year. Our training arm, the Teacher Learning Network (TLN) offers a range of professional development with a variety of focus areas. The IEU's highly successful *PD in the Pub* series is also a must.

IEU training information is online at www.ieuvictas.org.au or www.tln.org.au or email training@ieuvictas.org.au
