**TOP 10 TIPS FOR
PARENT-TEACHER INTERVIEWS
W/ BEN PISANI**

Parent teacher interviews are a core part of your work as a teacher. It can feel quite daunting to sit face to face with parents and discuss what has been happening within the classroom.

There is always a possibility that parents may have a different opinion of their child's achievements or may have different priorities in what they think their child should be doing inside and outside of the classroom.

This session will outline 10 tips to approaching and running parent teacher interviews that help keep the focus on positive outcomes and interactions.
