TEACHER
PROFESSIONAL
DEVELOPMENT
WEBINAR
SERIES 2019**

Lesson structures support students to achieve success in the learning intention you have set for them. A sound lesson structure contributes to effective scaffolding of student learning.

This course looks at ways to maximise student achievement by creating transparent, predictable and purposeful routines for students and identifying clear transitions between each step in the lesson.

The presenter will share her approach to developing an effective lesson structure and successful strategies used by other experienced teachers.

**TUESDAY 18 JUNE, 7:30 – 8:30PM
FREE! AVAILABLE FOR IEU MEMBERS ONLY**
