

IEU Victoria Tasmania Extension Rep Training

This course is aimed at reps who have experience in the role of rep and have recently completed Experienced Rep Training.

Training is provided across a range of areas, including activating the sub-branch in your school, enhancing workplace consultation, and working effectively with principals, committees and members.

Reps from Catholic schools are entitled to a day's paid training leave every year for events such as this, and reps from independent schools should speak to their organiser about the IEU covering replacement costs.

Participation in this day is fundamental to your role as a sub-branch rep, and attendance is strongly encouraged.

Friday 12 May, 10.00am - 4.00pm

FEU Conference Centre, 120 Clarendon Street, Southbank
Email training@ieuvictas.org.au (quoting course code XR171) to book
