

IEU Victoria Tasmania

Initial Rep Training

*Have you just been elected? Are you yet to do training?
If you answered yes, then Initial Rep Training is for you!*

At Initial Rep Training, learn about your rights, your new role and the structure of the union. You will work with IEU organisers and reps from around the state to formulate strategies for developing your sub-branch, building strength through recruitment, and being a workplace advocate.

Reps from Catholic schools are entitled to a day's paid training leave every year for events such as this, and Reps from independent schools should speak to their organiser about the IEU covering replacement costs.

Participation in this day is fundamental to your role as a sub-branch rep, and attendance is strongly encouraged.

Wednesday 8 March, 9.30am - 4pm

FEU Conference Centre, 120 Clarendon St Southbank
