## 1. General work descriptions

	Level 1	Level 2	Level 3	Level 4	Level 5
<b>Competency</b>	<p>Level 1 Education Support is a training grade for Education Support Employees participating in a traineeship, apprenticeship or other similar, formal training arrangement that combines formally recognised training with a registered training organisation (such as a TAFE), with practical work experience and on the job training.</p>	<p>Competency at this level involves the application of knowledge with depth in some areas and a broad range of skills. There is generally a variety of tasks, roles and contexts. There is some complexity in the range and choice of actions required. Some tasks may require limited creative, planning or design functions.</p>	<p>Competency at this level may include Level 2 competencies. In addition, competency at this level involves the development and application of professional knowledge in a specialised area(s) and utilising a broad range of skills.</p> <p>An Employee at this level will have a depth or breadth of expertise developed through extensive relevant experience and application, and perform work assignments guided by policy, precedent, professional standards and expertise. This may require the provision of support and advice to senior management and/or performing a support role to a senior administrator.</p>	<p>Competency at this level may include Level 2–3 competencies. In addition, competency at this level operates within broad principles set by management.</p> <p>An Employee at this level is expected to undertake a high proportion of tasks involving complex, specialised or professional functions.</p> <p>A role at this level may coordinate or manage a specific functional responsibility and/or liaise with the general community, government agencies or service providers.</p>	<p>Competency at this level may include Level 2–4 competencies. In addition, competency at this level generally requires Employees to be responsible for program area development and implementation, to provide strategic support and/or advice requiring integration of a range of school policies and external requirements, and to have an ability to achieve objectives operating within complex organisational structures.</p> <p>A role at this level will generally lead and manage a significant functional element of a large school, and/or contribute in a major way to the development, maintenance and implementation of the policy framework of a large school.</p>
