

COVID-19 UPDATE

IEU Membership Fee Waivers for all CRT Members

This is a very tough time for many workers – and we know that casual staff are the first impacted by school closures and changes to learning delivery.

Effective today, we are granting membership fee waivers to all Casual Relief Teacher members of the IEU until our schools return to normal operation. We will not be charging you any fees until further notice, and if you have paid in advance we will process a refund of up to three months' fees.

You will continue to receive our full membership service and all member benefits, and we will continue to advocate for you during this difficult time.

I'd also like to draw your attention to some upcoming online PD available to IEU members which is more timely and relevant than ever. Our co-owned training arm the Teacher Learning Network is running webinars this afternoon and again on Thursday on [Online Teaching and Learning](#), as well as an online [CRT Upskill Conference on the topic of Mental Health First Aid](#) on 1 April .

Please continue to check for further information and updates on this [dedicated section of our website](#) and on our [Facebook page](#).
