

Consultative Committee Training

BENDIGO

THURSDAY 9 NOV
9:30am – 3:00pm

Bendigo Trades Hall

CEMEA Clause 40: Trade union training leave

Paid leave for trade union training will be available in each school for the designated union representative, and paid leave for trade union training on the Consultative Committee will be available for Employee representatives on the Consultative Committee, subject to it being:

- (a) taken at a time mutually agreed with the Principal;*
- (b) limited to one day per school per year; and*
- (c) non-cumulative.*

This full-day training is for Consultative Committee Reps in schools covered by the Catholic Education Multi-Enterprise Agreement.

Under this Agreement, Consultative Committees are more important than ever – and staff Reps on their Committee are now entitled to a day of paid training leave every year.

Work with IEU Organisers and other Consultative Committee Reps to develop your skills, learn about your role and consultative procedures, and return to your workplace with the knowledge and confidence to ensure that everyone has a voice.

Participation in the day is fundamental to your role as a Consultative Committee Rep and your attendance is strongly encouraged.
